## **I'd like to hear your story**

As part of my course I am doing a project to collect and celebrate the stories of faith and worship at St Anne's church. I am interested to know about your connections with St Anne's and how St Anne's is part of your personal faith story. I will be asking you to share your memories about different items in the church and events in the history of the church.

I also plan to find a way to celebrate and share your story as part of the story of St Anne's

If you are interested to participate please let me know.

### **Pray with us for growth**

**Gracious God, grant us the imagination to see fresh possibilities for growth and the passion to bring them to birth.**

**Deepen our commitment to your ways; expand our partnership in your cause; increase our influence for your purpose; and add to the numbers of those who acclaim you as Lord.**

**Lead us from fear of failure to that confidence which flows from faith and to lives of fruitfulness and joy.**

**In the power of your Spirit help us to create communities of wholeness with Christ at the centre; for in his holy name we ask. Amen**
