TRANSFORMING CHURCH. TOGETHER.

The Diocese of Bristol is shaping a new vision and set of priorities for the coming years. We want to understand what we do well, what we can change for the better and create a positive way forward together.

We also want to ensure it shares God's hope by meeting everyone's spiritual needs, inspiring worship, transforming lives and providing support where it is needed most.

We hold to the principle that with God's leading, we have the wisdom and creativity we need. The answers we need are available to us and we are wiser together than we are alone.

To ensure people have opportunities to have their say and share their thoughts, we're running a series of workshops, as well as the online questionnaire.

**There will be a Workshop at St Anne's on the 18th March at 7.30pm.
This will be on Zoom with an option to meet at the church.**

Treasurer, PCC secretary and Church Warden needed

If you can give 4-10 hours a month to help with the administration needed to support the mission of the church, think about offering to fill a vacancy and join the team. Many hands make light work.

Most of all we need a treasurer. Please consider asking a friend or relative who could fulfil this vital role.

Sunday the 21st March will be a special collection for the work of Southmead Hospital Charity.

Southmead Hospital Charity raises money to support the work of Southmead Hospital, Cossham Hospital and community health services in the Bristol, South Gloucestershire and North Somerset areas.

Staff across North Bristol NHS Trust are working incredibly hard every day to protect and care for you, your family and our communities.

With your help we can continue to support their welfare and wellbeing – by caring for them we can ultimately help them to deliver even better care to patients.

Your support funds welfare packages and access to specialist counselling services as well as wider wellbeing initiatives that staff can benefit from.

Thanks to your help we also give initial funding to some staff development and training opportunities across the Trust.

community wildlife garden

The plans for developing the garden adjacent to St Anne's Church into a Wildlife Nature garden are going ahead with a good group of local people getting involved.

If you are interested to join this project speak to Mary-Rose or Patrick or email anneswildgarden@gmail.com
