Community Gatherings

Gatherings are a place of community for local people, young and old, to connect with themselves, each other and God.

We meet monthly for a brief circle including song, prayer and a story, followed by whatever anyone wants to bring: chat, play, eating, crafting, gardening...

Our next gatherings will be on the 21st November 3-5pm and the 12th December. WELCOME

A place where it is OK to not be OK.

After a year and a half of pandemic isolation, fear and uncertainty it will be normal for many of us to have anxiety about going out and meeting people and others will be longing for opportunities to socialise and see other people.

Chat 2 Chat is an informal social group offering a safe, non-judgemental place to spend time with other people.

Drop in and stay for as long as you want during our session. You are welcome to come regularly or occasionally.
