The Inclusive Church AGM and Annual Lecture is fast approaching. We have another excellent speaker this year - Prof. Anthony Reddie, Director of the Oxford Centre for Religion and Culture at Regent's Park College, University of Oxford and an Extraordinary Professor of Theological Ethics at the University of South Africa.

Anthony is one of the world's foremost Black theologians and author of multiple acclaimed books such as the SCM Core Text on Black Theology, Theologising Brexit and Is God Colour-Blind? He is an expert on James Cone and has developed a pioneering course on Cone at Oxford, which will be taught for the first time this year.

Anthony's challenging talk - 'Unmasking the two Deadly Ds: Dismantling Whiteness and Deconstructing Mission Christianity' - will be well worth hearing, join online via Zoom. You can register online via Eventbrite.
