Regular giving

We are facing some large bills for heating and the treatment of the chairs for woodworm and a general increase in costs. If you already give, please consider increasing your gift. If you are not a regular giver please consider making a regular donation to support all the work that we do and help us to maintain the building and pay our parish share.

The Parish Giving Scheme is the best way to give regularly to St Anne's. Gifts made through this scheme use a Direct Debit. With your permission, we are able to reclaim the Gift Aid for your church. It is also easy to protect your donation from inflation if you choose; we will calculate the difference and notify you each year in advance, to ask if you are happy to increase your gift by the cost of living.

There are three easy and secure ways to donate to your church through the Parish Giving Scheme. You can set up your Direct Debit online, or call us and we will take you through it, step by step. Phone: 0333 002 1260

The information you will need is as follows.

Parish Name: Eastville St Anne's

PGS parish code: 050605087

Location: Bristol City

Diocese: Bristol

**Thank you for your generous donations to InHope.
We collected £93.20.**

Be yourself. And if what this means
is unclear to you, look around at
the things of this earth. Study the stone
which always does what it was made
to do: it doesn't always fall in the
same way, sometimes resting in high
places and at other times finding its
rest where the earth allows it to lie,
but its purpose is to move downward,
and in this, the stone loves God in the
way it can, singing the new song
which God gives each creature and thing –
and also you who hear this and at times
wonder what to do, and how to be.
