Thank you if you completed a questionnaire about Morning and Evening prayer. We have been encouraged to see that there is an interest in praying together during the week. In the meantime please note the prayer times that we already have as well as the 10am Eucharist, and consider if you can join us.

## **GOLD project Bible study**

Would you like to do some in-depth bible study, learning about the writers and the context of the bible? Join the next GOLD bible study group starting in February studying the letters and Revelation of John. We meet fortnightly on Zoom with about an hour a week of self-study using resources provided. The course takes about 10 months to complete and costs £50. (Bursaries are available) Book your place by the 8th Jan so we can order the resources. Speak to Carla for more information and a form.

## **Week of prayer for Christian Unity.**

For this Week of Prayer for Christian Unity we are guided by the churches of Minneapolis as we seek to explore how the work of Christian unity can contribute to the promotion of racial justice across all levels of society. Through this resource, the CTBI writers' group has also focussed our attention on the 30th anniversary of the murder of Stephen Lawrence, which we mark in 2023. The work of restoring hope through justice undertaken in Stephen's memory continues to inspire and change lives for the better.

Holocaust Memorial Day is on the 27th January. Go to the website <https://www.hmd.org.uk> to find out about local events.
