Have you thought about regular giving?

We are a small congregation serving the parish of Eastville and everyone's contribution helps. Regular giving helps us to maintain our buildings making them available to the local community, and pay our Parish Share that supports the worshipping life of the church. Regular giving with or without gift aid is very easy with Parish Giving.

Go to <https://www.paritygiving.org.uk/> for information on how to set up payments or call **0333 002 1271**, Monday to Friday, 9am - 5pm. You will need the following information.

Our Parish name is: Eastville: St Annes.

PGS parish code is 050605087 Diocese of Bristol

Giving Sunday to support the Work of MAG International

On Sunday the 11th June we will be taking a collection to support this vital work.

Every single day, 15 people across the world are injured or killed by a landmine or unexploded bomb. Almost half of these casualties are children.

MAG aims to save lives and rebuild futures by removing and destroying landmines and unexploded bombs from communities affected by war and violence around the world. Because of their work, people can not only live safely, they can farm safe land, build new houses and schools and children can walk without fear.

Please donate generously and help to support a safer future for millions of people.

There will be a collection at the 10am service and donations can also be made on <https://www.justgiving.com/page/stannes-1684341569537>
