Fairtrade Tea and Coffee

The PCC have passed a resolution that St Anne's will use Fairtrade Tea and Coffee and other Fairtrade products when ever possible. Fairtrade products ensure that the producers get a fair price for their products and that the workers are not exploited.

Mary-Rose is our Eco Champion, she keeps the PCC informed and challenged about our environmental impact as a community and individually. Having achieved the bronze award with ECO church, we are now set to work towards the Silver award. So we will be addressing different sections of the questionnaire at each PCC meeting. **For more information speak to Mary-Rose.**

Pop up Cafe on the 8th April, Curry Lunches and cakes from 12 to 3pm in the church hall and garden.

APRIL Celebrate new life this Easter and have a go at growing something! April is the perfect time to try to grow something edible or, if you are a seasoned gardener, to encourage someone else to try. Salad leaves or herbs are a great place to start and will reduce your reliance on those oh-so-convenient supermarket salad bags.

For indoor space, try 'micro-greens' (vegetable leaves harvested soon after they open)

For greenhouses, try sowing salad leaf seed mixes.

For outdoors, beetroot, lettuce, onion and pea plants are frost-resistant so can all be planted outside in April.

As you sow, thank God for the opportunity to grow food, and pray for those communities that are facing food shortages and famine.
