**May ~ Support pollinators.** Nothing says Spring like the buzz of a bee! But these precious pollinators are declining due to habitat loss, climate change and agricultural intensification.

**Wednesday 20 May is World Bee Day**, so look around to see how you can improve habitats for bees and other pollinators.

Read more about bees, butterflies and habitats that support them in our Target 25 resources at [arochoa.org.uk/what-we-do/target-25](https://arochoa.org.uk/what-we-do/target-25). Sow a pollinator-friendly seed mix, make or buy a bee hotel, let some wild flowers grow in your garden, and don't use pesticides. Pray that our pollinator populations will increase.
