Caring for creation

St Anne's has recently signed up to Creation Care, a simple online tool that helps individuals and households understand their environmental impact and discover practical ways to care for God's creation.

We're encouraging members of the congregation to take part. As well as helping you reflect on your own footprint, the anonymous information gathered will help us identify where we can focus our efforts as we continue our Eco Church journey.

Taking part only takes a few minutes. To find out more and sign up, visit creationcare.org.uk.

Together, we can take small steps that make a real difference.
