## COLLECT

God, who in generous mercy sent the Holy Spirit  
upon your Church in the burning fire of your love:  
grant that your people may be fervent in the fellowship of the gospel  
that, always abiding in you,  
they may be found steadfast in faith and active in service;  
through Jesus Christ your Son our Lord,  
who is alive and reigns with you,  
in the unity of the Holy Spirit,  
one God, now and for ever. **Amen**

### Season of Creation

**The Season of Creation is not just for Sundays.** Please pick up a leaflet offering ways to engage throughout the week. It includes scripture, prayer, invitations to wonder and practical ways to act. After the summer we have just had, none of us can be unaware that our climate is changing in dangerous ways. God's creation is calling us to pay attention and respond more deeply. This resource is intended to help us do just that.

### Caring for creation

St Anne's has recently signed up to Creation Care, a simple online tool that helps individuals and households understand their environmental impact and discover practical ways to care for God's creation. We're encouraging members of the congregation to take part. As well as helping you reflect on your own footprint, the anonymous information gathered will help us identify where we can focus our efforts as we continue our Eco Church journey. Taking part only takes a few minutes. To find out more and sign up, visit [creationcare.org.uk](https://creationcare.org.uk). **Together, we can take small steps that make a real difference.**
