Season of Creation

The Season of Creation is not just for Sundays. Please pick up a leaflet offering ways to engage throughout the week. It includes scripture, prayer, invitations to wonder and practical ways to act. After the summer we have just had, none of us can be unaware that our climate is changing in dangerous ways. God's creation is calling us to pay attention and respond more deeply. This resource is intended to help us do just that.

Finally - SAVE THE DATE - our Harvest Festival Service this year will be on **Sunday 27th September and will be a Community Communion.** We would like to invite anyone who can to bring fresh and homegrown produce or tinned and packet foods. **These will be donated to the Sisters of the Church and their Loaves and Fishes Foodbank.**

Caring for creation

St Anne's has recently signed up to Creation Care, a simple online tool that helps individuals and households understand their environmental impact and discover practical ways to care for God's creation. We're encouraging members of the congregation to take part. As well as helping you reflect on your own footprint, the anonymous information gathered will help us identify where we can focus our efforts as we continue our Eco Church journey. Taking part only takes a few minutes. To find out more and sign up, visit creationcare.org.uk. **Together, we can take small steps that make a real difference.**
