COLLECT

God our Father,
you always delight to reveal yourself
to the childlike and lowly of heart:
grant that, following the example of the blessed Francis,
we may count the wisdom of this world as foolishness,
and know only Jesus Christ and him crucified;
who lives and reigns with you in the unity of the Holy Spirit,
one God for ever and ever. **Amen**

***The Season of Creation is not just for Sundays.** Please pick up a leaflet offering ways to engage throughout the week. It includes scripture, prayer, invitations to wonder and practical ways to act. After the summer we have just had, none of us can be unaware that our climate is changing in dangerous ways. God's creation is calling us to pay attention and respond more deeply. This resource is intended to help us do just that.*

A message from the Sisters of the Church

Thank you very much for your generous donation to the Harvest Appeal.

Your kindness and support are greatly appreciated and will help us continue our work in the local community. Please pass on our sincere thanks to everyone who contributed.

East Bristol Mission Area ~ Conversations on Mission

The new East Bristol Mission Area is bringing together four communities in a new partnership and we're keen to explore what mission looks in East Bristol and what we can learn from one another.

This autumn, people from Easton Christian Family Centre, Hazelnut Community, All Hallows and St Anne's are invited to join a series of conversations exploring mission in our churches and neighbourhoods.

We'll share our experiences, listen to different perspectives and use the Five Marks of Mission to help us think together about how we can take part in God's work in East Bristol.

You don't need any special knowledge or experience—just an interest in finding out more about mission and a willingness to join the conversation.

The group will be led by Emma Langley and David Durston.

**5 Monday evenings, 7.30–9pm 12 October–16 November
(excluding the Monday of half-term - 26th October)**

**St Anne's Vicarage, 75 Greenbank Road
(between St Anne's Church and Greenbank Cemetery)**

Places are limited. To find out more or express an interest, please contact David Durston: david.durston36@btinternet.com

Caring for creation

St Anne's has recently signed up to Creation Care, a simple online tool that helps individuals and households understand their environmental impact and discover practical ways to care for God's creation. We're encouraging members of the congregation to take part. As well as helping you reflect on your own footprint, the anonymous information

gathered will help us identify where we can focus our efforts as we continue our Eco Church journey. Taking part only takes a few minutes. To find out more and sign up, visit creationcare.org.uk. **Together, we can take small steps that make a real difference.**
